

MUSEUM of RICHMOND My Lockdown Memories

by Clara Jane

A photograph or picture I made that will always remind me of lockdown:

When my baby brother was born!

Something that made me happy during **lockdown:** Looking after my new plants

What I miss the most in lockdown?

Spending time with my friends!

Best Lockdown smell:

Drawing monsters!

Funniest lockdown moment:

Cakes baking in the oven!

Best Lockdown taste:

Banana smoothies

An object that will always remind me of lockdown:

My Elmer book, I love to read it everyday!

Something new I learnt during l

lockdown: *How to paint a blossom tree!*
